PROFILE

A hard working management student with a multi-cultural background, passionate about web development and fluent in three languages.

WORK & EMPLOYMENT

Freelance Designer & Front-End Developer

Aug 2013 – Present

Freelance

Work:

- Web Design
- Integration
- JavaScript Development
- SEO/SEM Consulting

Projects:

- Marketing, Advertising and Design society
- Aura-Soma Boutique
- CHSI Ainay-le-Château Hospital
- Temper

Front-End Developer

Jun – Aug 2013

Adveris Publishing, France

I integrated Photoshop templates using HTML, CSS and JavaScript; I also used PHP for further development. This experience gave me the opportunity to familiarise myself with Content Management Systems (CMS) like WordPress or PrestaShop for online stores, as well as complex Databases. I also learnt a lot about the business side of the company and how to deal with customers' demands.

IT Analyst

Sep 2011

Arcadis, France

In charge of identifying and correcting errors for the French Arcadis website.

SKILLS & TOOLS

Development

Languages:

- HTML5
- CSS3
- SASS
- JS
- PHP
- SQL

JS:

- jQuery
- Angular JS
- Meteor

CSS libraries:

- Zurb Foundation
- Skeleton
- Twitter Bootstrap
- Animate

Worked with

CMS:

- WordPress
- PrestaShop
- Joomla
- Stacey

VCS:

- Git

- Strategic Management I & II
- Consumer Behaviour
- Spanish Level 5/5

Ecole Active Bilingue Jeannine Manuel

1999-2011

French Baccalaureate (Economics)

- Mathematics: 19/20
- English: 17/20
- Spanish: 16/20
- Economics: 12/20

ACHIEVEMENTS

- **Nottingham Advantage Award:** employability scheme to improve personal and professional development.
- **Student Venture Challenge:** 3rd place for the best business idea. The University of Nottingham offered us a £1,000 grant to develop and bring our idea to market.
- **Employer Programme Certificate:** a Certificate awarded after having attended a significant number of Employer Programme or related events, and having prepared a CV and personal evidence statement.
- **Co-Founder/Chief Technology Officer** of the Marketing, Advertising and Design society in The University of Nottingham. In charge of creating the society's website, organising events and communicating with members through social media.

INTERESTS

- **Travelling:** I travelled to East Asia in the summer of 2012 where I visited The University of Nottingham's campus and followed a Summer course on 'Business in Asia'. I travelled in the following countries: Malaysia, Singapore, Thailand and Egypt.
- **Photography and editing** are a great hobby of mine. I am familiar with editing applications such as: Adobe Photoshop.
- **Sailing:** more than 10 years of experience: mentoring level.
- **I hold a full driving licence.**
